What is the purpose of this statement?

This statement provides key information about the Aon KiwiSaver Scheme Aon - Russell LifePoints® Target Date 2055 Fund. It tells you how the fund has performed and what fees it charged, and will help you to compare it with other funds. We prepared this statement in accordance with the KiwiSaver (Periodic Disclosure) Regulations 2013. This information is not audited and may be updated.

Description of the fund

The Aon - Russell LifePoints® Target Date 2055 Fund invests in a mix of growth and income investments via the Russell Multi-Manager Funds. The allocation to income investments will increase progressively until it reaches 80% in the year 2055. Currently the option invests according to a 90/10 mix between growth and income, consistent with the strategic asset allocation. The fund's objective is to provide investors with capital growth and volatility that is consistent with the current asset allocation, through exposure to a diversified investment portfolio.
